

Senior Learning Plan and Senior Schedule

This document summarizes our plan by telling you:

1. The minimum amount of time your student should spend in structured academic activity.
2. How we will communicate with you and when learning materials will be posted.
3. What key learning platforms your student will use.
4. How your student can access their teacher, and when they should expect feedback on work submitted.
5. How your student can access learning materials if you don't have easy access to a computer.
6. How we will communicate with you as a school, along with how your student can get support during the school day if they are stuck on an assignment.

If you have questions, please contact the Junior + Senior Grade Level Team Leads or the Humanities Department Head and they will direct you to the correct person:

Alexandra Simmonds - asimmondstrooien@cps.edu (Grade Level Team Lead)

John "Cyriac" Mathew - jcmathew@cps.edu (Grade Level Team Lead)

Adam Norman - arnorman@cps.edu (Humanities Department Head)

Non-Digital Remote Learning Plan

Bi-weekly Activity Packets for all Content Areas: Available for pick-up at the school Monday-Friday 9-1

We are creating two-week packets filled with engagement activities for your students to complete throughout the closure. This packet will include social emotional reflections, post-secondary planning work, and skill based activities. Packets can be picked up at the main entrance near the lunch pick-up Monday-Friday from 9-1pm.

School Communication Plan

School Website/Daily: Our School website <https://sullivanhs.org/> will be updated each day at 10am. Updates will include daily activities you can do with your students, daily challenge problems, communication links to reach out to our staff, and teacher shout-outs for students.

Parent Email/Weekly: This email will include Important updates regarding school closures, contact information for all staff, as well as responses to frequently asked questions. **We will also be communicating critical information about prom, graduation, and your child's post-secondary plan.** It is critical that we have your email during this time, if you are not receiving weekly communication, please call the main office and give them your email.

School Day Student Support Plan

Student Support Hours: We will have a staff member available on Google Meet during all hours of the school day 8 to 3. Students (using their CPS email addresses) or Parents can join using the link or call-in number to ask any questions they have for school staff.

Non-Digital Student Support Hours: We will have a staff member available by phone during all hours of the school day 8 to 3. Students or Parents can call this number to ask any questions they have for school staff. You can also call the school number.

Weekly Lesson Schedule for Seniors

Purpose: The sample schedules show examples of how teachers may want to distribute activities throughout a week. The samples are built to show one possible way to ensure there is a balance of content areas. Your child should have a balance of the following four types of opportunities aligned with critical grade-level standards:

- **Skill Practice:** Skill practice opportunities that are grade level and developmentally appropriate and easily student-driven.
- **Projects:** Activities allow students to develop their understanding of concepts taught throughout the school year and apply their knowledge in new and interesting ways.
- **Enrichment Activities:** Games, puzzles, movement activities, and other opportunities to explore areas of interest support students in developing their general cognitive and life skills.
- **Reading:** Students should have daily opportunities to read diverse, engaging texts of their choice. In the primary grades, this may mean students are reading with an older family member or caregiver.
