**10 minutes → Quick Rundown: Old Business (Non-Committee) & New Business**

<b>Issue</b>	<b>Last Update/Action Item(s) or Recommendation</b>	<b>Notes, Comments, Questions</b>
<b>Old Business:</b> Equity Committee, Black Excellence Committee, & Repairing Harm	After meeting with admin, emails sent to outside orgs to potentially facilitate the restorative process	→
<b>New Business:</b> Concern about lack of diversity and representation in some classes/curricula	The importance of diversity and representation needs to be reinforced/ by admin and department chairs; provide teachers assistance & resources if needed	→
<b>New Business:</b> The advocate work has been communicated without a clear purpose or measurable outcomes. Teachers on different GLTs have questions about the implementation and fidelity of this work.	The PPLC should have a primary role in deciding on a program like this. Pause advocate work until substantive issues are addressed.	→
<b>New Business:</b> The locking of student bathrooms is punishing the majority of students for the actions of a few. This policy sends a message of a deep lack of trust in students. It does not get at the root causes of the problems. The policy was also not communicated to staff.	Unlock the bathrooms and do the work to understand and address the root causes of the problems we are facing.	→
