Dear Sullivan Community,

The Sullivan Local School Council (LSC) is very excited to announce our final 3 principal candidates: [Jeffery D. Cooks](#), [Christina Gonzalez](#), and [Abdul Muhammad](#) (Click on their names to see a one-page bio-sheet). A one-hour candidate forum will be held this **Wednesday, June 22 at 6:00pm** in the school auditorium. All staff, families and community members are invited to attend the forum to get a chance to meet the principal candidates in-person. During the candidate forum, each candidate will be allotted time to speak about themselves followed by a question and answer session. There will be an opportunity to submit questions during the forum event (in-person and online). We will do our best to ask as many questions as time will allow.

All attendees will be asked to share their feedback. We will distribute hard-copy feedback forms and have an option for digital feedback as well. The community feedback will be used to help determine which finalist will become our new principal. As members of the LSC, we take our responsibility seriously and realize the great commitment we have to represent the voices of Sullivan stakeholders and the community. We thank you for putting your trust in us to diligently complete this process with the utmost integrity.

We hope you will join us for the Community Forum next Wednesday at 6PM. To join virtually go to: <https://meet.google.com/xur-wppz-tzk>

Sincerely,

The Sullivan Local School Council
