New Business		
Issue	Recommendation	Notes, Comments, Questions
<p>Assemblies & field trips are great. Can the teachers & staff involved give advance notice about the students who will miss class as a result of the field trip or preparation for the assembly. Without advance notice, it makes lesson planning and instruction more difficult.</p> <p>5 min, 15 max</p>	<p>Communicate in advance to teachers & staff the list of students participating in assemblies & field trips</p>	→
<p>Students are coming in late to school, which makes instruction difficult during 1st period.</p> <p>5 min, 15 max</p>	<p>Are there school-wide restorative practices to increase on-time arrival at school that we could implement?</p>	→
<p>We have some students with very, very low attendance. At the end of the semester, we will either have a high number of Fs as a school, or individual teachers will feel pressure to massage grades to reduce the number of Fs. Either outcome is not desirable.</p> <p>5 min, 15 max</p>	<p>We need a coordinated, school-wide effort that connects GLTs, counselors, BHT, the attendance dean, and admin to identify & address the deeper reasons/causes for very low attendance among certain students.</p>	→
