New Business

Issue	Recommendation	Notes, Comments, Questions
The rollout of and the plan for the PSAT test administration had some issues. This made for a more difficult testing experience for many teachers and students.	Ensure that a feedback process exists to improve all future test administrations based on the experiences and lessons learned from the 10/12 PSAT.	→ This has been discussed in PPC, so we don't want to repeat → There should be a formal committee, this is really hard to do individually → EL representative on the committee → Could there be a school wide push to do

5 min, 30 max		<p>a P-SAT prep</p> <ul style="list-style-type: none"> → All students who take ACCESS are supposed to get accommodations → This is hard building to do these types of tests in → Grade Levels can also work to hype kids up → All adults can agree that we want kids to feel successful → We can talk about incentives and budgets for GLTs → Treating testing as a 2 day event and not just a 1 day thing to value the students with accommodations
<p>Bathroom Policy</p> <p>5 min, 15 max</p>	<p>What is the bathroom policy? It seems to be different on each floor and with each security guard.</p>	<ul style="list-style-type: none"> → This was an amendment to the agenda → The bathroom should only locked during the first ten minutes → Working on getting printed passes for all teachers that are laminated and printed.
