<p>A proposed PPLC meeting schedule for the year has been created in consultation with admin and the ILT meeting schedule. (see bottom of agenda)</p> <p>Time: 5 min, 15 max</p>	<p>PPLC review and approve the meeting schedule</p>	<p>→ No opposition</p>
<p>Now that we have dedicated honors sections in (at least) core classes, there is still the outstanding issue of the criteria for student placement in Honors. Resolving this will also hopefully make it easier on counselors</p> <p>Time: 5 min, 15 max</p>	<p>Departments or PPLC Curriculum committee develop criteria for students to be placed in Honors classes</p>	<ul style="list-style-type: none"> → Honors in core classes → Honors is different than AP, that is important to keep in mind → https://www.youtube.com/watch?v=_1us0iL94Oo → Honors and equity are different topics, and we have to be conscious and have a nuanced sense of both → We had programming issues this year because of honors credit given → Every kid can have the opportunity to get honors credit, but it has to be thoughtful and robust → This year, we might just have to message that we are using STAR and recommendations, each GLT can come up with a project to do. → Fewer students earned honors last year due to the “personalized honors” roll out. → Obsession with honors without understanding the criteria and what the learning entails. → People do think that it would be helpful to have a teacher recommendation and a STAR score. → There are some students that could be in Honors Math and/or Honors English. → The curriculum committee will put a

		<p>draft together and GLTs look at it.</p> <p>→ No one thinks it should be one or all, but the criteria should be the same, that was done this year because of scheduling.</p> <p>→ Action Item: Ms. Handley will do some research, this will be a focus of the Curriculum Committee</p>
<p>Work was done last year in PPLC on hiring processes for Sullivan staff. With transition to a new administration, we need confirmation that we will continue to utilize those processes.</p> <p>Time: 5 min, 15 max</p>	<p>PPLC co-chairs share with administration the hiring process documents created last year and request a response.</p>	<p>→ Action Item: Send it out to principal Cooks</p>
<p>The kinesthetic activities of the JROTC program sometimes take place in the hallway on the 3rd floor. It is great for their students, but it can sometimes be disruptive to quiet activities (like testing) in other classes on the 3rd floor.</p> <p>Time: 5 min, 15 max</p>	<p>Consider a more strategic placement of JROTC classes so that they have space that works for them and for adjacent classrooms.</p>	<p>→ Was brought up in PPC. Is on Cooks' rader.</p> <p>→ Intentional placing of classrooms and spaces.</p> <p>→ We need to send out a survey</p> <p>→ Outdoor activities</p> <p>→ A college and career room?</p> <p>→ The Glasser center is also important and we can use that in the mix.</p> <p>→ Action Item: Send out form that we created in the meeting</p>
